International investing involves certain risks and increased volatility not associated with investing solely in the US. These risks include currency fluctuations, economic or financial instability, lack of timely or reliable financial information or unfavorable political or legal developments. The Funds may invest in securities issued by smaller companies, which typically involves greater risk than investing in larger companies. Also, the Funds may invest in limited geographic areas and/or sectors which may result in greater market volatility.

One should consider the investment objectives, risks, fees and expenses of any mutual fund carefully before investing. This and other important information is available in the Fund's prospectus and summary prospectus which are available at www.hendersonglobalinvestors.com, by calling 1.866.443.6337 or by contacting your financial adviser. Please read the prospectus or summary prospectus carefully before investing.
